

B.BICE+ Project

Atlantic Ocean Research

Detecting new ways of information exchange for enhanced collaboration

Rome, 6th of October 2014

The Consortium

France - IRD (Coordinator)

Institut de Recherche pour le Développement

Germany - DLR

Project Management Agency c/o German Aerospace Center

Greece - FORTH

FORTH/PRAXI Network

Brazil

- **CNPq** - Conselho Nacional de Desenvolvimento Científico e Tecnológico
- **ANPROTEC** - Associação Nacional de Entidades Promotoras de Empreendimentos Inovadores
- **UnB** – Universidade de Brasília

Objectives & WPs

Promote awareness raising on EU and Brazilian policies and programmes and sharing of research/innovation results to promote durable partnerships

WP1

Support coordination between the EU & MS ST&I programmes targeting Brazil

WP2

Promote cooperation targeting innovation as an essential mean for tackling bilateral and global challenges

WP3

Support the EU-Brazil ST&I policy dialogue

WP4

WP5 Coordination

Support to EU-BR ST&I dialogue

- ✓ **Joint Action Task Force (JAT):** 15 members from EU Member States and Brazilian ST&I institutions

Task:

- Support for identifying **Pilot Joint Actions** within the 3 Key areas:
- **Marine Research**, Agriculture & Biotechnology, Health.
- Until now we only received proposals in Agriculture & Biotechnology
- **The experts attending this workshop may identify an action in the field of Marine Research?!**

Criteria for Potential Joint Actions:

- Within the 3 key areas
- 2 Member States & Brazilian institution
- Innovation aspect

Key networking activities

- ✓ Call for exchange visits (travel grants) between EU-Brazil Technology and Innovation actors: SMEs, Incubators, Technological Parks, TTO, etc.

→ **November 2014**
