

EU-US Innovation Conference

IPR – View from industry

Dr Robert Harrsion

EU-US Innovation – IPR Issues

- Different IPR focus of participants
- Lack of coordination on IPR issues
- Different concepts of commercialisation
- Local/National restrictions on commercialisation
- Lack of appreciation of IPR systems

Solutions

- Coordination of IPR strategies
- Coordinated filing of IPRs
- Single point of contact for technology transfer
- Defining access to Background IP
- Clarifying access to Foreground IP / Results
- Dedicating budget to IPR
