**Vivian Holmes, NCURA President**  
**Director of Sponsored Research Operations, Broad Institute of MIT and Harvard**

Vivian Holmes has been involved in research administration for over twenty years. As Director of Sponsored Research Operations at the Broad Institute, her primary focus is research compliance and the development and implementation of research policies and procedures including new systems for grants management and financial reporting. Prior to joining the Broad Institute in 2009, Vivian was Director of Finance and Administration for the Division of Medical Sciences at Harvard University. There, she was responsible for finance and operations of the pre-doctoral programs primarily interacting with Harvard-affiliated hospitals and research institutions. Vivian has been active in NCURA (National Council of University Research Administrators) since 1993 and continues to participate, learn, and teach. She has served on several Committees including the Board of Directors, has been a member of NCURA's Traveling Workshop Faculty and is a frequent panelist on operational and compliance issues. Vivian currently serves as NCURA's 2014 President

**Regina Notz**

Regina works for EU GrantsAccess as a senior research manager since 2009. She studied at ETH Zurich, where she also did her PhD. Her PhD was followed by a PostDoc as a Marie Curie Industrial Fellow at the Unilever Research and Health Institute in the Netherlands. Regina stayed for 5.5 years with Unilever, moving from basic research towards product development, research and innovation management. Back in Switzerland, Regina followed up on her passion for research management and consultancy at her current position in the international grants office of ETH and University of Zurich, where she is in charge of advising researchers with US grants and providing support to set up institutional policies for these grants.

## Patricia Hawk

Patricia Hawk has been involved in research administration for more than 30 years. As the Director of the Office of Sponsored Programs at Oregon State University (OSU), Pat directs the pre-award functions at OSU and serves as the primary signatory authority. Her previous responsibilities at OSU have included preparing OSU's Facilities and Administrative (F&A) rate proposal and reviewing/ revising OSU's Disclosure Statement (DS-2). Prior to OSU, Pat served as the Assistant Director of the Sponsored Projects Administration Office at Oregon Health and Sciences University (OHSU). She has also had experience with the University of Oregon, the U.S. Environmental Protection Agency, and the University of Virginia. Pat has been an active member in NCURA during her research administration career. She has served on national and regional program committees, and, in addition to other teaching roles, has served as a faculty member of the Global Financial Research Administration Workshop. She has chaired two National-level committees for NCURA, and most recently served as Vice-President and President in 2012 and 2013. She serves as Immediate Past President in 2014.
